Editor's Forward

Another year of accomplishments have come and gone, but for the WRANGLER staff of '83, it was major problems—such as emotional stress, financial problems, and lack of support—that had to be overcome. It has been a tough year for the staff, but for all those who cooperated and helped the staff, it sure did make a difference. There have been other schools whose yearbook has fallen and I knew I couldn't let this happen to the Wrangler, but due to Mrs. Alva Ibarra and the staff for hanging together, the major problems were conquered.

To my fellow graduates, this marks the 20th Anniversary for McCollum High. I hope you cherish and keep this book in memory just like I will. We the McCollum graduates of '83 have invested much time, faith, and love into our school, and ask that everyone else please treat it with respect just as we did. This year was a very exciting and very spirited. That's why we had the motto "Proud to be Seniors of 83".

We all knew we had a big day this year, which was Friday, May 27, 1983. Cheers of freedom were being expressed along with tears of happiness. Hugs and kisses were exchanged with wishes of luck and joy. Faces looked upward. This was a night to remember. This was a cowboy graduation.

I would like to thank everyone who helped me throughout the year, mainly Mrs. Alva Ibarra for without her many things would have been impossible. I would like to congratulate Jimmy Garcia on his well-deserved position and wish him, and all my other friends the best of luck with their yearbook. Also I would like to wish all my fellow graduates the very best of luck. May God bless you all and keep you in His tender care.

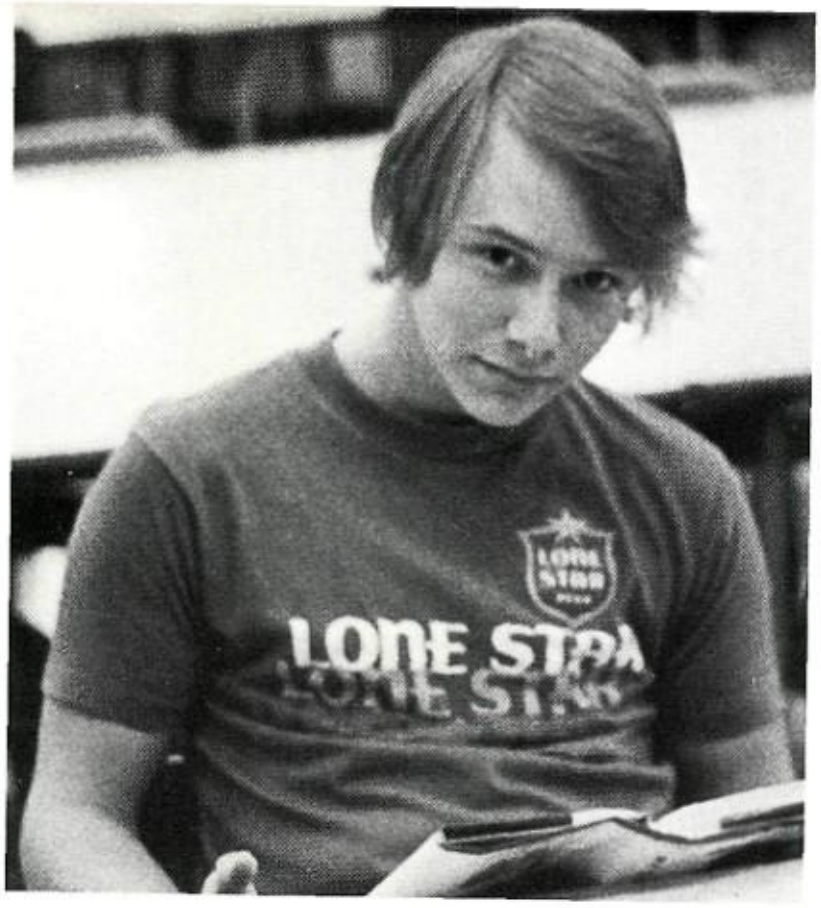
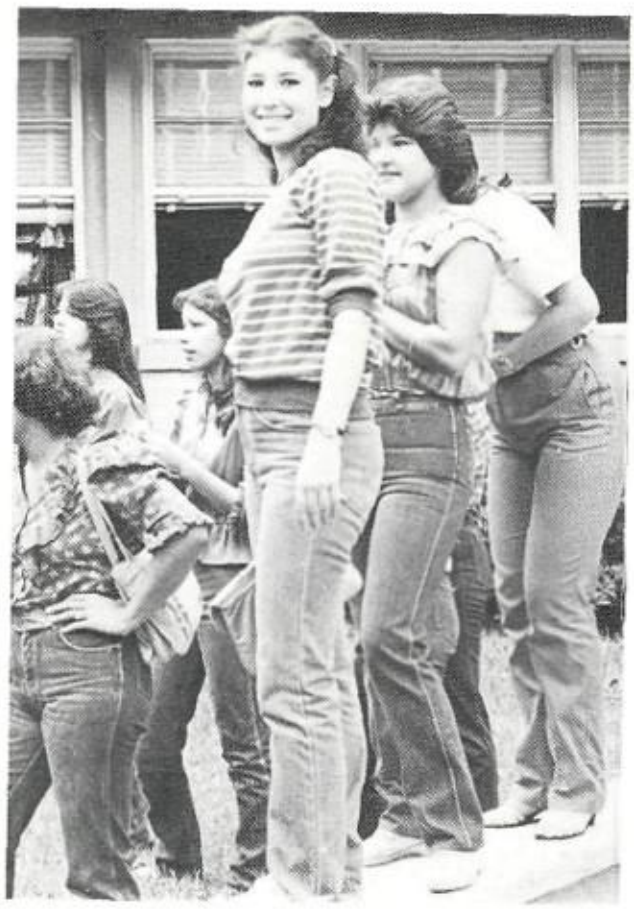
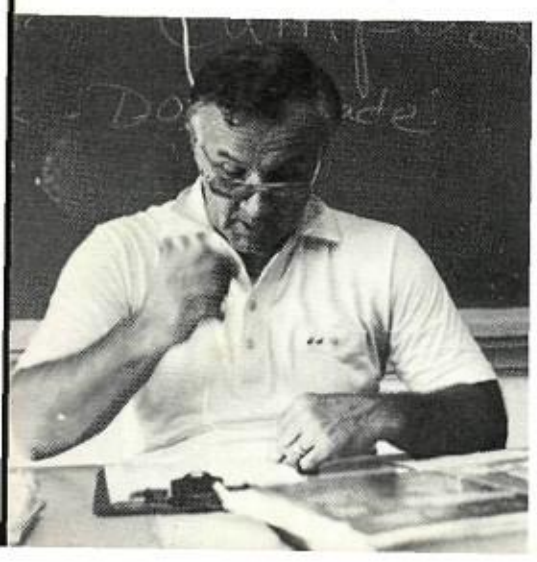
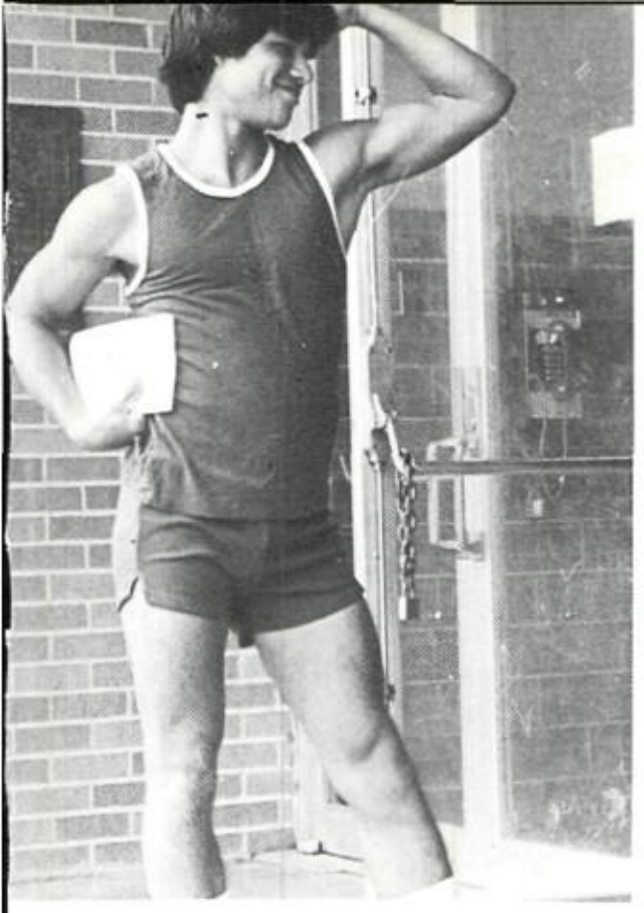
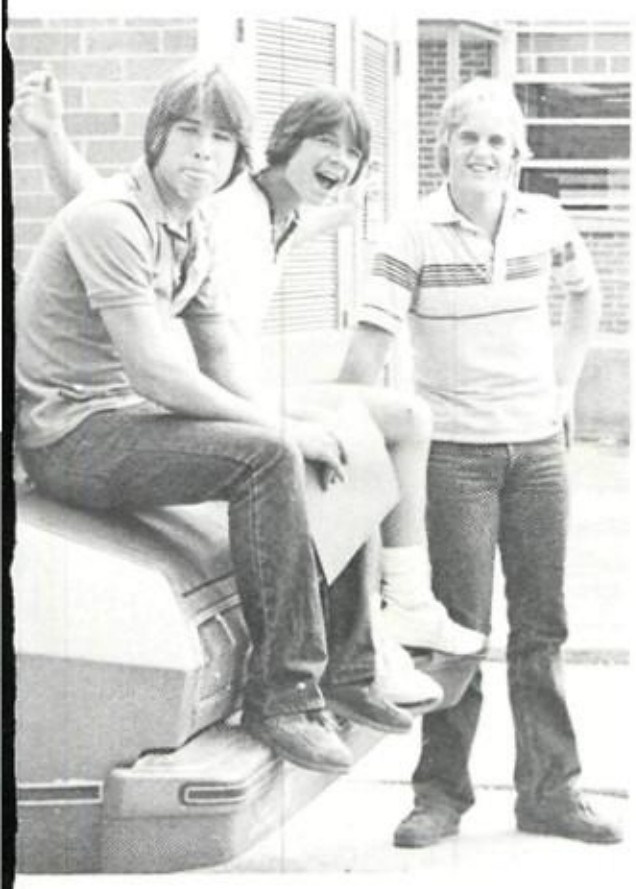
Student Life

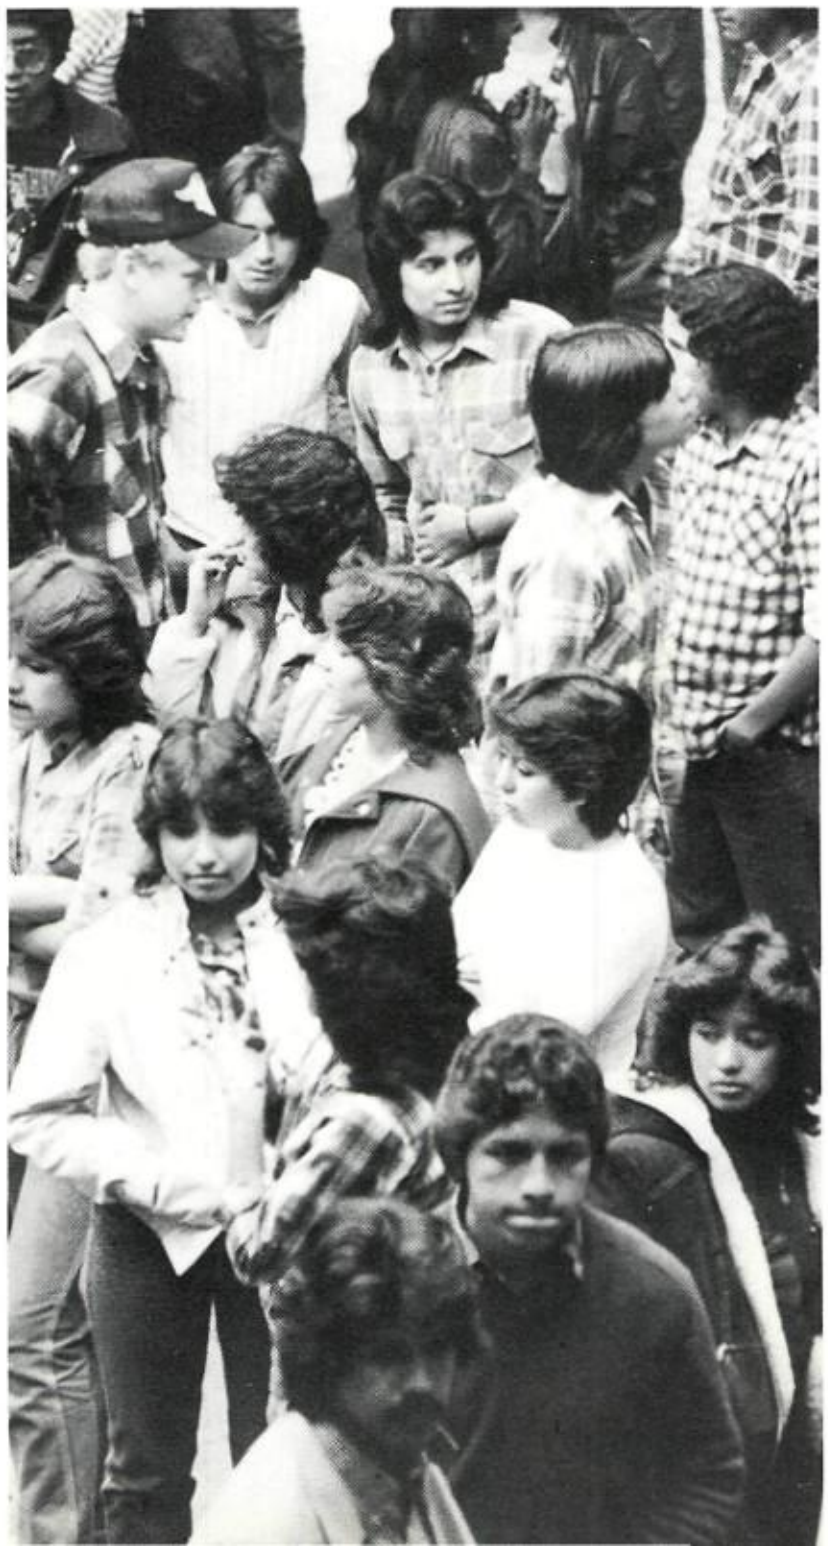












Student Life

The life of a cowboy can sometimes be frustrating, but not always. The hassels of schoolwork and homework are forgotten for just 45 minutes while students enjoy each others company and entertainment that is sometimes provided during lunch.

Competition between classes is important, although togetherness is the main reason McCollum is #1.

Students often show off their many talents and personalities on days of special events.

In spite of all the bad, students will always remember the good times which they will cherish forever, the friends and teachers they will miss as another year ends, but they look forward to a prosperous summer.

Spirit Week . . .

Over the past several years Spirit Week has become a greatly anticipated event. This year Spirit Week was held November 1 thru November 5. This was a time when everyone participated together in showing their pride and support for our Cowboys. Whether it was participating in the Night Pep Rally, taking part in the dress-up days, or being a spectator in the stands cheering our team on to victory over the Harlandale Indians, everyone joined in the enthusiasm. The activities of the week were brought to a close by the annual bonfire held before the big game.

The 1982 Round-up was sponsored by the McCollum Student Council. Both McCollum and Harlandale club representatives attended to show their support. Also attending were the Cheerleaders and Dance Team Members to exhibit their talent and enthusiasm.

Spirit Week had many activities to choose from. One that the majority of the students participated in was the Night Pep Rally. Everyone had a chance to get in on the act—from being an M.H.S. cheerleader "in the drag", dancing in the co-ed senior dance-team, or becoming a "Pillow Person"! Even Mrs. Dillard McCollum attended to join in the festivities. The Junior Class won the Spirit Poster and the Senior Class let their spirit show by winning the Spirit Yell.

Next to Spirit week, Christmas was the most special season of the year. Several events took place to help those in need. But an event that took place during the lunch hour was the students taking pictures with Santa Claus. The senior boys who took part as Santas were Marcus Lozano, Samuel Johnson, Rene Benevides, Mario Perez and Ray Cortez. These boys turned out well in all their pictures and were great sports!

The spirit of Christmas was everywhere, and SHS was no exception. The glimmering, shimmering lights that symbolized the holiday season sparkled not only on the historic downtown Riverwalk, but on the Cowboy campus as well.

The sparkling "lights" came from within each individual; the glow of friendship and harmony that was with each smile or kind word.

Christmas was indeed a special time for all—

Despite the efforts of many fine athletes the varsity football team finished the season with a disappointing record of 2-8. Team spirit was not demoralized by this record however which they proved in their final outing against Harlandale. The Cowboys 29-27 victory over the Indians was one of the most exciting games ever played between the two teams, and will without a doubt be talked about for years to come. This spirit was present not only during the Harlandale game, but in every game the cowboys played. It is with this spirit that will lead future cowboy teams on to victory not only on the game field but in the field of life.

The Girls' Varsity Volleyball team had a very good season this year. After all the long, hot and tiring practices the girls had, it was worth it. They started out with a 3-5 record in non-district. They came out winners with a 10-2 record in district and participated in several tournaments with a record of 4-6. With the bi-district title the Cowgirls were determined to give it their best with everyone behind them. The Cowgirls did their best but lost. They weren't losers because they make the student body very proud of them. They finished with a season of 17-14.

Carlos Alvarado is determined to score for the Cowboys.

1982-83 was a year of rise and fall for the Cowboys. Entered in three tournaments, the Cowboys took three straight losses in the Consolation Championship. When district rolled around, Coach Dennis Smith was sure he had a winning combination. What he didn't know was that one of his starters was about to leave the team. The loss of that senior leadership and the scoring was a determining factor in district games. With a great lack of height and experience the Cowboys finished fifth in district in front of rivals, the South San Bobcats and the Harlandale Indians. Out of three meetings between the Cowboys and Indians, the Cowboys came out on top. With four returning starters and three other lettermen coming back, 83-84 should be the winning season to bring back the good tradition of McCollum athletics.

This year two Cowboys received district honors. Alex Huizar a 6'1" junior starter received All-District Honorable Mention. The twelfth leading scorer in the district, he was a powerful force, mainly due to his great jumping ability. The other honored Cowboy was a 5'11" senior guard named Oscar Sepulveda. "O" was the sixth leading scorer in the district and was named to the All-District first team. Both of these young men gave us all exciting moments and kept the winning attitude. Senior lettermen, Rod Salinas, Jonathon Higgins, James Cannon, Oscar Sepulveda, Edward Solano, Juan Campos, Jeff DeVille, and Coach Smith wish next year's varsity good luck. A special thanks to Rudy Navarro for helping out with everything. McCollum Cowboys are still at the top of our hearts.

The Varsity Girls' Basketball Team had an impressive year. The girls showed a lot of enthusiasm and determination, which led to a shot at the co-championship in Laredo. After two very physical games, the team ranked third in district. There's a lot to say about their playing ability. Two members were honored by district 30-5A coaches, Denise Palacios, a junior, was unanimously named the district's Most Valuable Player and Brenda Silva, was named to the All-District First Team.

. . . But We Made It!

Varsity Baseball has its up and downs whether it's Mario Perez sliding in, or Ray Cortez jumping for a fly, the Cowboys always did a good job. Recording a 12-11 record, the Cowboys were still in the thick of it. The heart breaking loss to the Harlandale Indians gave the Cowboys a reason to bear down and finish off the season in a winning manner. Ray Cortez went down with a heel injury making things even harder.

The Cross Country team did exceptionally well this year, placing first at the East Central meet, to bring home the winning trophy.

McCollum sponsored the district meet which was held at U.T.S.A. in October. All eight district schools particiapted. The team placed fifth overall with one regional qualifier Debbie Esquivel who placed third with a time of 13.01 in the two-mile run.

Regionals were held at Fort Sam Houston. 138 regional qualifiers competed. Debbie Esquivel placed twenty-fourth with a time of 12:13. When asked about the team's year Mrs. Purser commented, "They all worked very hard, I'm very proud."

Swingers Take Third

1982-83 MCCOLLUM GOLF TEAM—L to R: Coach Santos Aparicio, Brian Lee, Rodney Wigley, Donald Jones, Rudy Martinez, Robby Aguirre and Arnold Ramirez.

The 1982-83 Golf Team placed third in district for the second straight year. Even though this is Coach Aparicio's first year as golf coach, the team fared well in all tournaments. Back Row: Sam Johnson, Jim Barrett, Greg Valdez, and Jose Perez.

McCollum's first year of soccer wasn't a booming success. Even though the not so impressive record of 6-11-1 was recorded, these young men showed up to all the practices and worked hard all season long. A very good turn-out of underclassmen means a powerful team in the years to come. Two Cowboys were selected to the All-District Team; Adam Biernat and Jose Occhiuzzi were the two cowboys honored. Adam is returning and has a chance to repeat his All-District performance. The Harlandale Indians suffered defeat twice at the hands of the Cowboys. Success is destined in the future of the McCollum Soccer teams.

Executive Council Leaders Joined Together

Members meet during lunch time.

The leaders of McCollum's organizations and clubs have joined together for the second consecutive year to form the Executive Council. This unique group of students work at unifying all of the school's clubs and organizations. The council's main goal is to unite the school as a single body.

This year the Executive Council was responsible for the beautiful green and gold balloon displays at the Harlandale game. Prior to the Harlandale game they set up the bond-fire to promote school spirit. During the yule season the council sponsored a can-food drive. Their efforts in the drive helped to make a brighter Christmas for many of the underprivileged. To finish off the '82-83 school year they compiled a time-capsule to promote M.H.S. spirit.

The Varsity Cheerleaders work long and hard to maintain spirit and pep. Cheerleading, once thought of as an activity for the girl who didn't have the abilities for athletics, has since built itself a much stronger reputation. This year-long "sport" required much time to practice jumps, gymnastics, cheers, and pyramids for games, pep rallies and competition.

Picture Essays were added and in-depth feature stories added greatly to the newspaper's interest. The quality of writing in the paper improved greatly as journalism students were taught writing and reporting skills. Continuing its policy of being uncensored by the administrtion, the newspaper gave all students the opportunity to express their opinions on varied controversial issues. This assured students of an open forum for the exchange of opinions. The staff was composed of journalism students who elected to take the course. The newspaper thus reflected a wide cross section of the student body, rather than just the views of an elite minority.

Not Ever Far From Perfection

Here are the working ladies in the attendance office.

Aside from the CIA and the FBI, perhaps the only other organization who is able to answer to **your** whereabouts is the notorious group by the name of Attendance office.

These people keep tabs on who comes and who goes around MHS. If it weren't for this organization, why students would not be protected from the evils of truancy and absentism.

Headed by the illustrious ringleader known as Mrs. Joanne Smith, Cathy McGuire and Minnie Valdez work hard to make sure that you are here to work hard too.

Aren't you glad for that?

Mrs. Smith is so happy to be at work.

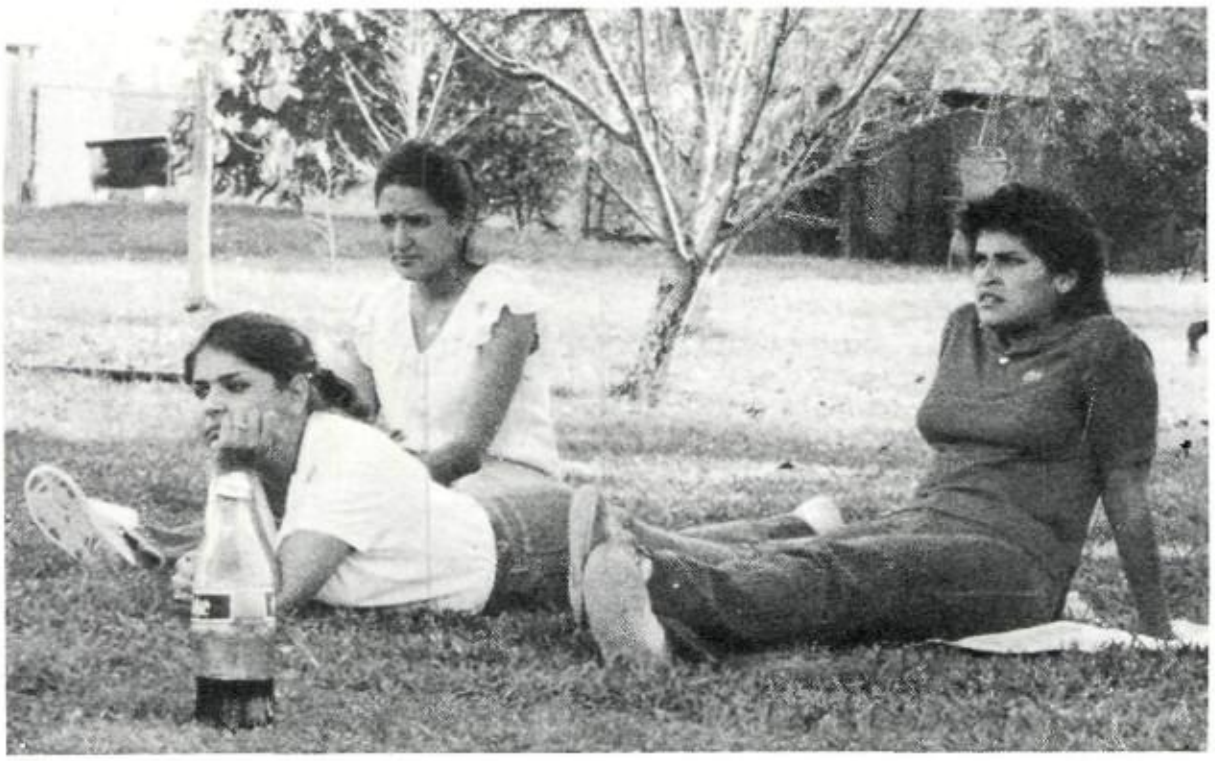
Proud to Be Seniors '83



Seniors get away from it all at a picnic.

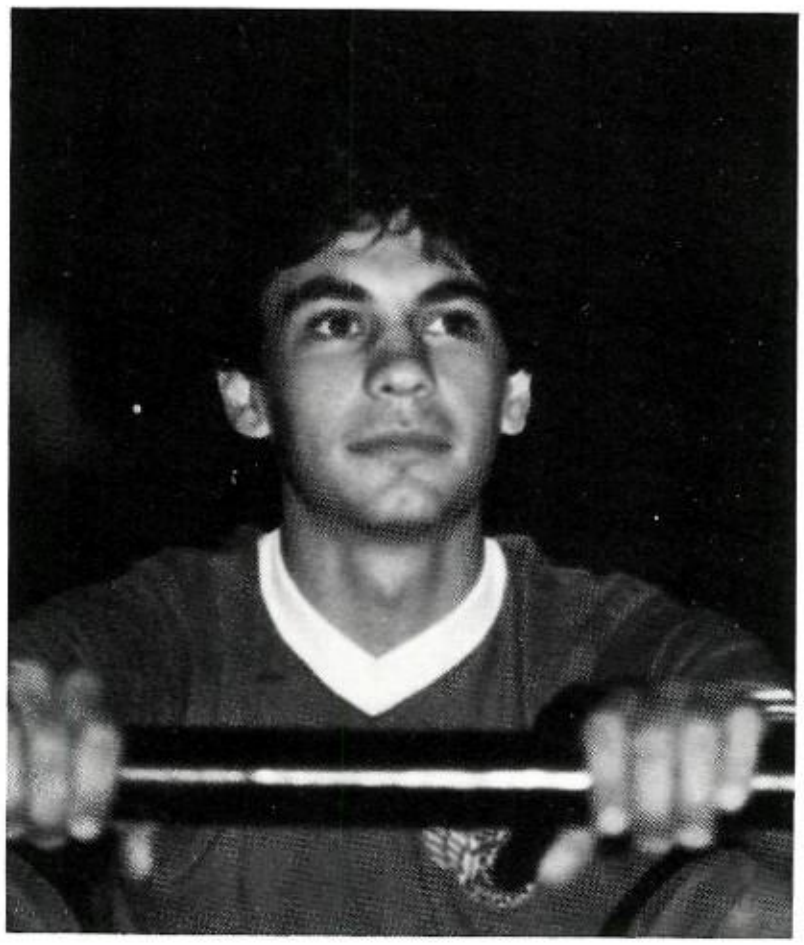
"It was right here a minute ago!" claims Marcus Lozano.

Denise munches out while the others take a rest.

G.I. Joe Herrera catches a little fresh air.

"This is totally embarrassing!" says Herbie McBee.

Homecoming Nominees: Monica Rains, Deanna Connally, Cindy Rodriguez, Laura Solis, and Debbie Garcia.



"I want my mommy," says Oscar Sepulveda.

Seniors: Monica Lozano, Laura Solis, Angela Escareno, Stephanie Ersch, and Jonathan Higgins enjoy the football game with underclassmen.

Senior presidents take part during the night pep rally.

The Senior Class had a memorable year with various activities both traditional and new. The year started out with exciting car caravans in which seniors led to promote spirit. Other activities included poster parties, car washes, and skating parties. The Senior Class set tradition by hosting a Masquerade Ball in which seniors doned costumes and masks to enjoy an evening of food and dance. The seniors also had their own line in the cafeteria. These are just a few of the many happenings at McCollum which made 1983 a year to remember.

Jeff Scharf does a little decorating.

Seniors 83 . . . Totally Awesome!

Monica Lozano shows off her winning costume.

Seniors show what they want to be when they grow up.

Mouseketeer Monica masquerades as Minnie Mouse.

"Sam, are we cute, or are we cute?" says David Tejeda.

"Everybody wants me," sings Marcus Lozano.

Spirited Juniors Move Ahead

1982-83 Freshman Class Officers

The class of '86 really did get into the spirit of the 1982-83 school year. Their sponsor was Mrs. Soto. She helped to make this year's Freshman Class a dynamic one. Freshman particiated in many activities, such as a P.T.A. membership drive, bake sales, and poster parties. The class of '86 helped to make this school year a spirited and prosperous one.
